The Honorable Board of Supervisors  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF AMENDMENT TO EXTEND THE LOS ANGELES COUNTY  
WORKFORCE INVESTMENT BOARD GOVERNANCE MEMORANDUM OF  
UNDERSTANDING (MOU) RELATING TO THE OPERATION OF THE ONE-STOP  
DELIVERY SYSTEM IN THE COUNTY OF LOS ANGELES  
(ALL SUPERVISORIAL DISTRICTS) (3-VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve the attached amendment to extend the Governance MOU for two years through June 30, 2007, and authorize the Chairman of the Board to sign the amendment, on behalf of the Los Angeles County Board of Supervisors, as the Chief Elected Official (CEO), as required under the provisions of the Workforce Investment Act of 1998 (WIA). County Counsel has approved the Amendment to the Governance MOU (Attachment A) as to form.
2. Authorize and instruct the Interim Director of Community and Senior Services (CSS), the Director of Public Social Services (DPSS), and the Executive Director of the Community Development Commission (CDC), or their respective designees, to sign the amendment to the Governance MOU on behalf of the Mandated Partner programs administered by their respective Departments for the provisions of workforce investment services.
3. Authorize the Interim Director of CSS, or designee, to amend the Workforce Investment Board (WIB) MOU to add or delete non-County partners as needed, provided that the Director reports in writing to the Board of Supervisors within 30 days after execution that such amendments have been executed.
4. Authorize the Director of DPSS or a designee to execute collaborative, non-financial agreements or MOUs with local WIBs and One-Stop Centers that include in-kind contributions.

## **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

The recommended actions will enable the Los Angeles County WIB and the County to continue to operate the comprehensive one-stop delivery system in the Los Angeles County Workforce Investment Area in accordance with the Governance MOU with the mandated partner programs required under the provisions of the WIA. The extension of the Governance MOU through June 30, 2007, is necessary to allow continued operation of the WIA program beyond the current MOU expiration date of June 30, 2005, and during this time Congress is considering the Reauthorization of WIA.

### **Implementation of Strategic Plan Goals**

The recommended actions support the County-wide Strategic Plan Goal 1: Service Excellence.

## **FISCAL IMPACT/FINANCING**

There is currently no cost for the recommended actions, however, financial agreements may be negotiated with each partner annually to clarify funding of services and operating costs of the One-Stop delivery system under the MOU. There is no impact on the County General Fund.

Funding for WIA programs operating within the County is contained in funding agreements between One-Stop lead agencies and the County. Each agreement provides funding for identified WIA services and activities

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The WIA was enacted in order to consolidate, coordinate, and improve employment, training, literacy, and vocational rehabilitation programs in the United States. As a provision of this law, the WIB, with the agreement of the Board of Supervisors, must develop and enter into a MOU (between the WIB and the one-stop partners), concerning the operation of the one-stop delivery system in the local area. This MOU must contain provisions that describe (1) the services to be provided through the one-stop delivery system; (2) how the costs of the system will be funded; (3) methods for referral of individuals between the one-stop partners, for the appropriate services and activities; and (4) the duration of the MOU and the procedures for amending the MOU during the term of the MOU. Additional provisions may be included if determined to be appropriate by the parties to the Agreement, and if they are consistent with the requirements of the WIA. The Governance MOU submitted for consideration contains all mandatory provisions.

The responsibility of the WIB and the County with respect to the method of administration and service delivery in the Los Angeles County Workforce Investment Area are delineated in the Local Workforce Investment Area Five-Year Strategic Plan, which was approved by your Board on October 9, 2001. The Governance MOU is consistent with the Five-Year Plan.

On April 14, 2005 the WIB approved the two-year extension to the current Governance MOU and authorized its WIB Chairperson to execute the extended agreement on the WIB's behalf.

The CAO, CDC, and DPSS concur with the recommended actions. County Counsel has reviewed and approved the Amendment to the Governance MOU as to form.

### **CONTRACTING PROCESS**

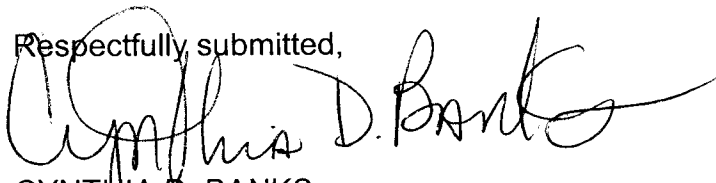

WIA requires the WIB, with the agreement of the Board of Supervisors, to develop and enter into a MOU (between the WIB and the one-stop partners), concerning the operation of the one-stop delivery system in the local area. The mandatory One-Stop partners identified in the WIA, which are entities responsible for administering human resource and education programs and activities in the Los Angeles County Workforce Investment Area, are required to be parties to the MOU. Those mandated partners include the State Employment Development Department (EDD, the Los Angeles Community College Districts serving the Workforce Investment Area, the State Department of Rehabilitation, and Job Corps, as well as County departments/agencies (i.e., CSS, DPSS, and CDC) administering specified program.

The non-County mandatory partners, all of which are public agencies, previously approved and executed the MOU and are concurrently considering the amendment now before the Board.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The recommended actions will allow the Los Angeles County WIB to continue to provide eligible individuals access to workforce development programs and services in the County of Los Angeles through a comprehensive one-stop delivery system, as required by the WIA.

Respectfully submitted,

CYNTHIA D. BANKS  
Interim Director
